

ChrionToken Whitepaper

1. Introduction

ChrionToken (CHRN) is a utility token developed on the Solana blockchain. It powers a tap-to-earn game where users earn CHRN by mining, buying cars, and completing tasks.

2. Project Purpose

ChrionToken aims to gamify crypto engagement. Players earn while having fun, and our system rewards both active players and early supporters.

3. Token Utility

- Earn CHRN by mining or completing tasks
- Use CHRN to unlock in-game content or NFTs
- Hold CHRN for future staking & benefits
